

Outstanding Student of the Year Awards 2024

**MELBOURNE
POLYTECHNIC**

Outstanding Student of the Year Awards 2024

Melbourne Polytechnic offers a diverse range of innovative, hands-on practical skills and modern theoretical learning.

We partner with industry to challenge existing training practices and develop innovative new methods.

Offering a different way to learn. We have been delivering vocational training since 1912 and we're one of the largest providers in Victoria.

Practical learning

We offer a wide range of innovative TAFE (VET) and Higher Education (Degrees) that prepare students for the workplace. With courses that focus on practical skills and hands-on experience, our students graduate with the knowledge they need to thrive in their careers.

Teachers from industry

Our teachers are passionate and established in their professions and they're here to guide students in theirs. We know that circumstances can create barriers to learning, so we offer our students personalised pathways, flexible study options and learning support.

Excellent training facilities

Our campuses boast some of the best training facilities in Australia. Many of our classrooms and workshops simulate real-work environments. In many courses, students have an opportunity to provide services to the public and industry while learning.

Melbourne Polytechnic locations: Preston, Fairfield, Epping, Heidelberg, Greensborough, Prahran, Collingwood, Ararat, Northern Lodge at Eden Park and Northern Lodge at Yan Yean.

Qualifications

Melbourne Polytechnic offer a wide variety of course qualifications from apprenticeships and traineeships, short courses, certificate level qualifications, through to diploma, degree and master degrees.

For more information, narrower study areas or specific courses, please view the Melbourne Polytechnic website: www.melbournepolytechnic.edu.au

Outstanding Student of the Year Awards

Each year Melbourne Polytechnic celebrates our most outstanding students through the Outstanding Student of the Year Awards. This annual tradition sees a select group of graduating students who have demonstrated a capacity for leadership and demonstrated outstanding levels of skill within their fields of study, recognised and awarded.

These prestigious awards include a financial component and are presented at Melbourne Polytechnic's Graduation in May, made possible by support from industry and generous donors.
